CORPORATION AND INDIVIDUAL INCOME TAX

- Extension of Time for Filing Returns

An extension of time authorized under Federal Law for filing Federal corporation or individual income tax returns, will automatically extend the time for filing Delaware income tax returns provided only that a copy of the Federal extension is attached to your State of Delaware return when filed. Do not file a copy of the Federal extension independently of the State return. It must be attached to the tentative or final return.

J. H. Kennedy
Director of Revenue
